

**Class Application for 2022-2023 School Year  
(South Burlington Site)**

Applications must be received by May 2, 2022 in order to process and make decisions for the upcoming school year. Late applications will not be accepted.

**Please remember to submit a separate application for each class/teacher that is interested.**

**General Considerations:** The program is primarily for fifth grade. Schools that best match our mission requirements are selected first and teachers who extend the program through their efforts at school are given higher consideration. If you would like additional resources or have questions please contact us.

Please mail or fax applications to: FAX:
